

Based on the scoring results of the business entities registered in the Slovak republic, and according to the data of financial statements for the year 2018, SIMS, a.s. confirms:

CHEMOSVIT FOLIE, a.s.

fulfilled the criteria in the category of:

**CORPORATE
social responsibility**

On that basis, the scoring information system SIMS® assigned it the status of

"Corporate social responsibility 2018".

From the total amount of 275 868 economically active entities registered in Slovakia, only 3,7% of them have complied with the criteria of Socially responsible enterprise.
